OLUWAFEMI MICHAEL ADEWOLE

Research & Data Analyst | Demography and Social Statistics (B.Sc.)
Osun State, Nigeria | +234 816 926 7069 | adewoleoluwafemimichael@gmail.com
LinkedIn: linkedin.com/in/oluwafemi-adewole | Portfolio: oluwafemi-adewole.github.io

PROFESSIONAL SUMMARY

Detail-oriented Demography and Social Statistics (B.Sc.) candidate who has completed the programme, with hands-on experience in field research, questionnaire design, survey administration, data validation, and quantitative analysis. Built 13 digital questionnaires in XLSForm/KoboToolbox and analysed data for 10 research projects using Stata. Skilled in SPSS, Excel, SQL (PostgreSQL), and Power BI. Committed to research ethics, data quality, confidentiality, and timely delivery. Seeking an internship in research, data analytics, business intelligence, or monitoring and evaluation.

CORE SKILLS

- Statistical Analysis: Stata, SPSS, descriptive and inferential statistics, data cleaning and coding
- Data Analytics & BI: Excel (formulas, pivot tables, data visualisation), SQL / PostgreSQL, Power BI (dashboards, DAX basics, data modelling)
- Data Collection: KoboToolbox, XLSForm, mobile/digital data collection, questionnaire design and administration
- Research Support: research design, sampling, literature review, data validation, quality checks, documentation
- Professional: respondent engagement, informed consent, confidentiality, field coordination, teamwork, communication

PROFESSIONAL EXPERIENCE

Freelance Data Analyst & Survey Designer (Academic Research Support) | Self-employed, Nigeria | 2026 – Present

- Analysed data for 10 research projects using Stata, including data cleaning, coding, descriptive and inferential analysis, and results tables.
- Designed 13 questionnaires in XLSForm and deployed them on KoboToolbox for mobile data collection.
- Interpreted outputs and supported students in presenting findings according to supervisor feedback.

Field Research Assistant | Department of Demography & Social Statistics, Obafemi Awolowo University (OAU) | September 2025 – Present

Project: Non-Communicable Diseases (NCD) Risk Factors and Work-Life Balance among Tertiary Institution Workers

- Conduct field surveys among academic and non-academic staff.
- Administer questionnaires, validate responses, and check completeness before submission to ensure high-quality data.
- Support respondent management, fieldwork logistics, and coordination to keep data collection on schedule.

Research Intern | Central Office of Research (COR), OAU | September 2025 – Present

- Assist with data documentation and coordination of ongoing research activities.
- Support literature reviews and preliminary data organisation.

DATA ANALYTICS PROJECTS

GlobalMart Supply Chain & Business Performance Dashboard | Excel, Power BI | July 2026

- Calculated KPIs in Excel, cross-checked them in Power BI, and built a two-page Power BI dashboard on profitability and supply chain operations ($703.5M revenue; 65% late deliveries identified).

ShopTrack Sales & Operations Dashboard | Excel | July 2026

- Cleaned a messy sales dataset and built an interactive Excel dashboard (pivot tables, region slicer) tracking revenue, top customers, and delivery performance.

Finance Recruitment & Salary Intelligence Dashboard | Power BI | June 2026

- Built a three-page Power BI dashboard on 2,312 finance job postings covering job market demand, salary and skills, and recruitment efficiency.

HR Workforce Analytics Dashboard | Excel | May 2026

- Built an interactive Excel dashboard on 2,845 employees by department, business unit, age group, and gender.

RESEARCH PROJECTS & TRAINING

Demographic Profiling & Social Auditing of the OAU Community (DSS 306 Departmental Research Project) | OAU | May 2025

- Contributed to survey design, field data collection, and data entry in a large-scale demographic and social audit.
- Worked in a team analysing population characteristics and social service patterns.

Research Methods Lab, Cohort 1 – Trainee | Brooke Research Consulting Inc / Department of Demography & Social Statistics, OAU | September 2025 – January 2026

- Completed structured training in research methodology (quantitative and qualitative), sampling, data handling, and academic writing under Prof. Mary O. Obiyan.

EDUCATION

B.Sc. Demography and Social Statistics | Obafemi Awolowo University (OAU), Ile-Ife, Osun State | 2026

National Diploma in Accounting | Kwara State Polytechnic, Ilorin | 2016 – 2018

Senior Secondary Certificate Examination (SSCE) | Iseoluwa Model College, Ile-Ife | 2015

CERTIFICATIONS & TRAINING

- Data Analyst Track Training (Excel, Power BI, PostgreSQL, Problem Solving Techniques) – Quantum Analytics NG, November 2025
- Research Methods Lab Training, Cohort 1 – Brooke Research Consulting Inc, 2026

VOLUNTARY SERVICE

- Volunteer, World Cleanup Day 2026 (Plogging Nigeria) – September 2026
- Volunteer, The Teens Awareness Initiative (T-TAI) – Certificate of Service for project execution – October 2025
- Volunteer, Central Office of Research (COR), OAU – 2024 – Present
